INDIVIDUAL PERSONAL GUARANTEE

THE FOLLOWING GUARANTEE MUST BE COMPLETED BY AN OFFICER OF THE CORPORATION

For value received, and in consideration of, and in order to induce Toy Factory, LLC, to extend credit for the purchase of certain products to be purchased pursuant to the Commercial Credit Application or any executed purchase orders (the "Products") to _____, ("Company"), which credit personally benefits me, I, the undersigned, unconditionally guarantee to Toy Factory, LLC the full and prompt performance and payment by Company of all obligations which Company presently or hereafter may have to Toy Factory, LLC under the Commercial Credit Application and any purchase orders executed pursuant to it, and under any other agreement related to it, including but not limited to, the payment when due of all sums owing by Company to Toy Factory, LLC under them, and agree to indemnify Toy Factory, LLC against any losses Toy Factory, LLC may sustain and expenses it may incur as a result of any default by Company under the Commercial Credit Application or any executed purchase orders and/or as a result of the enforcement or attempted enforcement by Toy Factory, LLC, of any of its rights against Company. I expressly waive all defenses which might constitute a legal or equitable discharge of a surety or guarantor, and agree that this guaranty shall be valid and unconditionally binding upon me. I further agree that this guaranty shall remain and continue in full force and effect notwithstanding any renewal, modification or extension of credit, and expressly waive all notice of and consent to any such renewal, modification or extension. I further agree that my liability under this guaranty shall be absolute primary and direct, and that Toy Factory, LLC shall not be required to pursue any right or remedy it may have against Company (and shall not be required to first commence any action or obtain any judgment against Company) before enforcing this guaranty against me, and that I will upon demand, pay Toy Factory, LLC the amount of all sums, the payment of which, by Company, is in default. This guaranty is formed and shall be construed under the laws of the State of Texas and any claims, lawsuits, or other actions under this Agreement shall be filed and pursued in Texas in the courts of Bexar County.
